

Professional Development Alternatives

www.fl-pda.org

Available statewide and free to Florida educators. High-quality online content and activities. Classroom-related assessment tasks. Designed to assist educators with responding to the various instructional and behavioral needs of each individual learner in order to maximize achievement for all students. Facilitated modules provide ongoing collaboration with colleagues and expert facilitators.

Many of these online professional learning modules support the new recertification requirements when appropriately coded under Exceptional Student Education in your local Master Inservice Plan.
