The following contract is to inform all parties of the student attendance policies at Polk District Virtual Instructional Program (PCDVIP). All parties acknowledge awareness of the following student attendance requirements:

- 1 By law I am required to attend school until I reach the age of 16 and to the age of 18 if my parents do not sign a waiver for me to drop out.
- 2 Students between the ages of 16 – 18 years must comply with compulsory attendance requirements unless the Declaration of Intent to Terminate School Enrollment Form has been completed.
- 3 Terminating school enrollment prior to graduation has been shown to negatively impact career opportunities and earnings.
- 4 Students (under the age of 18) will have driving privileged revoked or suspended for nonattendance.
- 5 Florida law requires high school students be present in class to receive credit. A passing grade alone does not meet this requirement.
- 6 Florida Statue 1003.24 makes parents and legal guardians responsible, and criminally liable, for ensuring their children attend school.
- 7 Polk County Schools can require a doctor's note to excuse absences if my child has exhibited a pattern of nonattendance (Submissions of assignments).
- 8 Referral to the School Social Worker for assistance may be made when there is a pattern of nonattendance.
- 9 Parents may be required to attend school meetings to discuss patterns of nonattendance emerges.
