

<p>Title I Parent and Family Engagement Polk County Public Schools</p> 	<h1>2018-2019 Polk County Public TITLE I Schools</h1>		<p>Scott Lake Eagles</p> 
<h2>Scott Lake Elementary School Compact for Learning</h2>			
<p>District and School-based Title I Parent and Family Engagement Programs in Polk County Public Schools will strive to BUILD RELATIONSHIPS in order to create real family engagement for every child, every family, every teacher, every day.</p>			
<p>This compact outlines how the parents/family, the entire school staff, and the students will share the responsibility for improved student academic achievement. By linking learning, the school and parents will build and develop a partnership that will help our students achieve the state's high standards for the school year.</p>			
<p>We will support learning in the following ways;</p>	<p>Staff Responsibilities</p>	<p>Parent/Family Responsibilities</p>	<p>Student Responsibilities</p>
<p>Curriculum- High Academics</p>	<p>Provide high quality, Florida standards-based content and differentiated instruction so that academic achievement for ALL students will increase in ELA, math, science, and social studies. Provide families with activities to encourage learning together.</p>	<p>Ensure my child attends school regularly and arrives on time prepared to learn. Discuss with my child's teacher areas of academic concern and ways to support my child at home. Read with my child daily and encourage use of Accelerated Reader.</p>	<p>Participate independently and cooperatively in classroom activities, complete my class assignments and homework, and come to class prepared to learn, giving my best effort in all I do. Take ownership of my own learning, working to meet and achieve my individual academic goals.</p>
<p>Monitoring Student Progress</p>	<p>Report student progress to students and parents through quality feedback on classroom assignments, assessments, interim reports, and report cards. Meet with parents at least one time per year to discuss student progress. Meet with students on an on-going basis to track student growth using data portfolios.</p>	<p>Monitor my child's progress by reviewing returned classwork, assessments, interims, report cards, and grades through the parent portal. Schedule and attend conferences as needed to discuss academic and behavioral concerns.</p>	<p>Monitor my own progress by asking questions, reviewing feedback from my teachers on returned assignments, tracking both STAR and Istation assessments, analyzing my placement on Levels of Mastery, and through student portal. I will talk with my parents and teachers about my data and set goals for learning using my personal data notebook.</p>
<p>Partnership - Be Involved</p>	<p>Inform and encourage parents to participate in opportunities to volunteer in classrooms and/or attend school related events through the use of agendas, <i>News from the Nest</i> electronic newsletter, school website, flyers, Remind app, Parent Portal, and Class Dojo. All Title 1 documents can be accessed on the school website as well. We will conduct an annual face-to-face conference with our families to develop positive relationships. Activities are offered at flexible meeting dates and times.</p>	<p>Participate in decisions about my child's education by attending parent/teacher conferences, becoming involved in the Parent Teacher Organization (PTO), School Advisory Council (SAC), volunteering, or by participating in developing/reviewing the School Improvement Plan, Parent Involvement Plan, and Compact. Attend and support school related functions.</p>	<p>Request help from my parents and teachers when I do not understand or need help with a problem or skill. Be a positive, productive member of my classroom, incorporating the 7 Habits from The Leader In Me. Look for opportunities to demonstrate leadership skills in my school.</p>
<p>Communication - Stay Informed</p>	<p>Build positive relationships through timely communication with parents using student agendas, phone calls, emails, Remind app, and conferences as needed. Keep parents informed about curriculum, school activities, and events. Respond in a timely manner to concerns or questions.</p>	<p>Review all notices sent home from school. Respond as needed and sign agenda nightly. If I have questions, I will write a note in the agenda or contact the teacher. I will return forms to the school in a timely manner.</p>	<p>Listen to and write down in my agenda my homework assignments and any additional notes from my teacher. Show my parents all notices that come from the school the day I receive them.</p>
<p>Learning Environment</p>	<p>Provide a supportive, safe, and positive learning environment where students are engaged and challenged with high expectations for learning and behavior. Incorporate technology into classroom instruction on a daily basis. Implement the Leader in Me program including leadership skill lessons and class family meetings.</p>	<p>Promote positive behavioral choices. Establish a daily routine for completing homework, daily reading, and discussion of the school day. Support my child by participating in school-wide parent involvement events that will enhance their academic experiences.</p>	<p>Create a positive, safe learning environment in my classroom by following Scott Lake's behavior expectations and the 7 Habits learned from The Leader in Me. I will be responsible, respectful, and safe so maximum learning can take place.</p>
