

"Our Voyage of Success... Every Student...Every Day!"

## Wendell Watson "PBS"

Positive Behavior Support (PBS) provides a positive and effective alternative to traditional methods of discipline. PBS uses evidenced based strategies and systems to assist schools to increase academic performance, increase safety, decrease problem behaviors and establish a positive school climate. PBS is based on understanding why problem behaviors occur.

Wendell Watson has a problem solving team that meets monthly to look at discipline data and determines what interventions are needed to improve the learning environment for our students.

Our school's expectations are PRIDE:

Positive Attitude  
Respectful Behavior  
Independent Thinking  
Dedication to Safety  
Engaged in Learning

Our students earn random daily "Wing Blings" for monthly rewards and participate in school wide activities. They not only can proudly tell you what each letter of PRIDE stands for, but can also demonstrate the expected behavior.

Be sure to ask your child about PRIDE and look for positive notes in agendas as well as PBS information on the school's website, connect phone calls and PTA newsletters.
